Name/Title _____ School _____

Please Print

Signature: _____

**FLINT COMMUNITY SCHOOLS
MOTT ADULT HIGH SCHOOL
S.T.A.R. PROGRAM
STRIVING TOWARDS ACADEMIC RESPONSIBILITY**

Information for parents

The STAR program has a state approved curriculum for high school students. Students can earn up to eight (8) credits per year when they attend full time. If students attend classes and are academically responsible, it is possible for them to graduate in 3 years. Every effort will be made to tailor the program to the needs of the students.

Students are helped and encouraged to do the best they can. Ultimately the student is responsible for his or her own success within the program. This program stresses positive behavior, academics, and growth of the individual's sense of self-worth. Our block schedule affords students a variety of ways to be successful. The student will be involved in no more than three classes at one time and 8 classes during the semester.

If you would like to find out more about the STAR program, contact a Mott Adult High School office at:

Zimmerman Center 760-7763
Broome Center 760-1638

Students must bring this completed form to the orientation meeting.

I have read the application and STAR description above and I understand that my son/daughter is applying for the Alternative Education Program at Mott Adult High School. I will do my part to ensure my child's success in this endeavor.
